About Karma

RELAX
softer, fitter, and more relaxed

ELEGANT
more and less, much simple, make best

CURVE
line with mind and soul

KARMA , Always be comfortable.

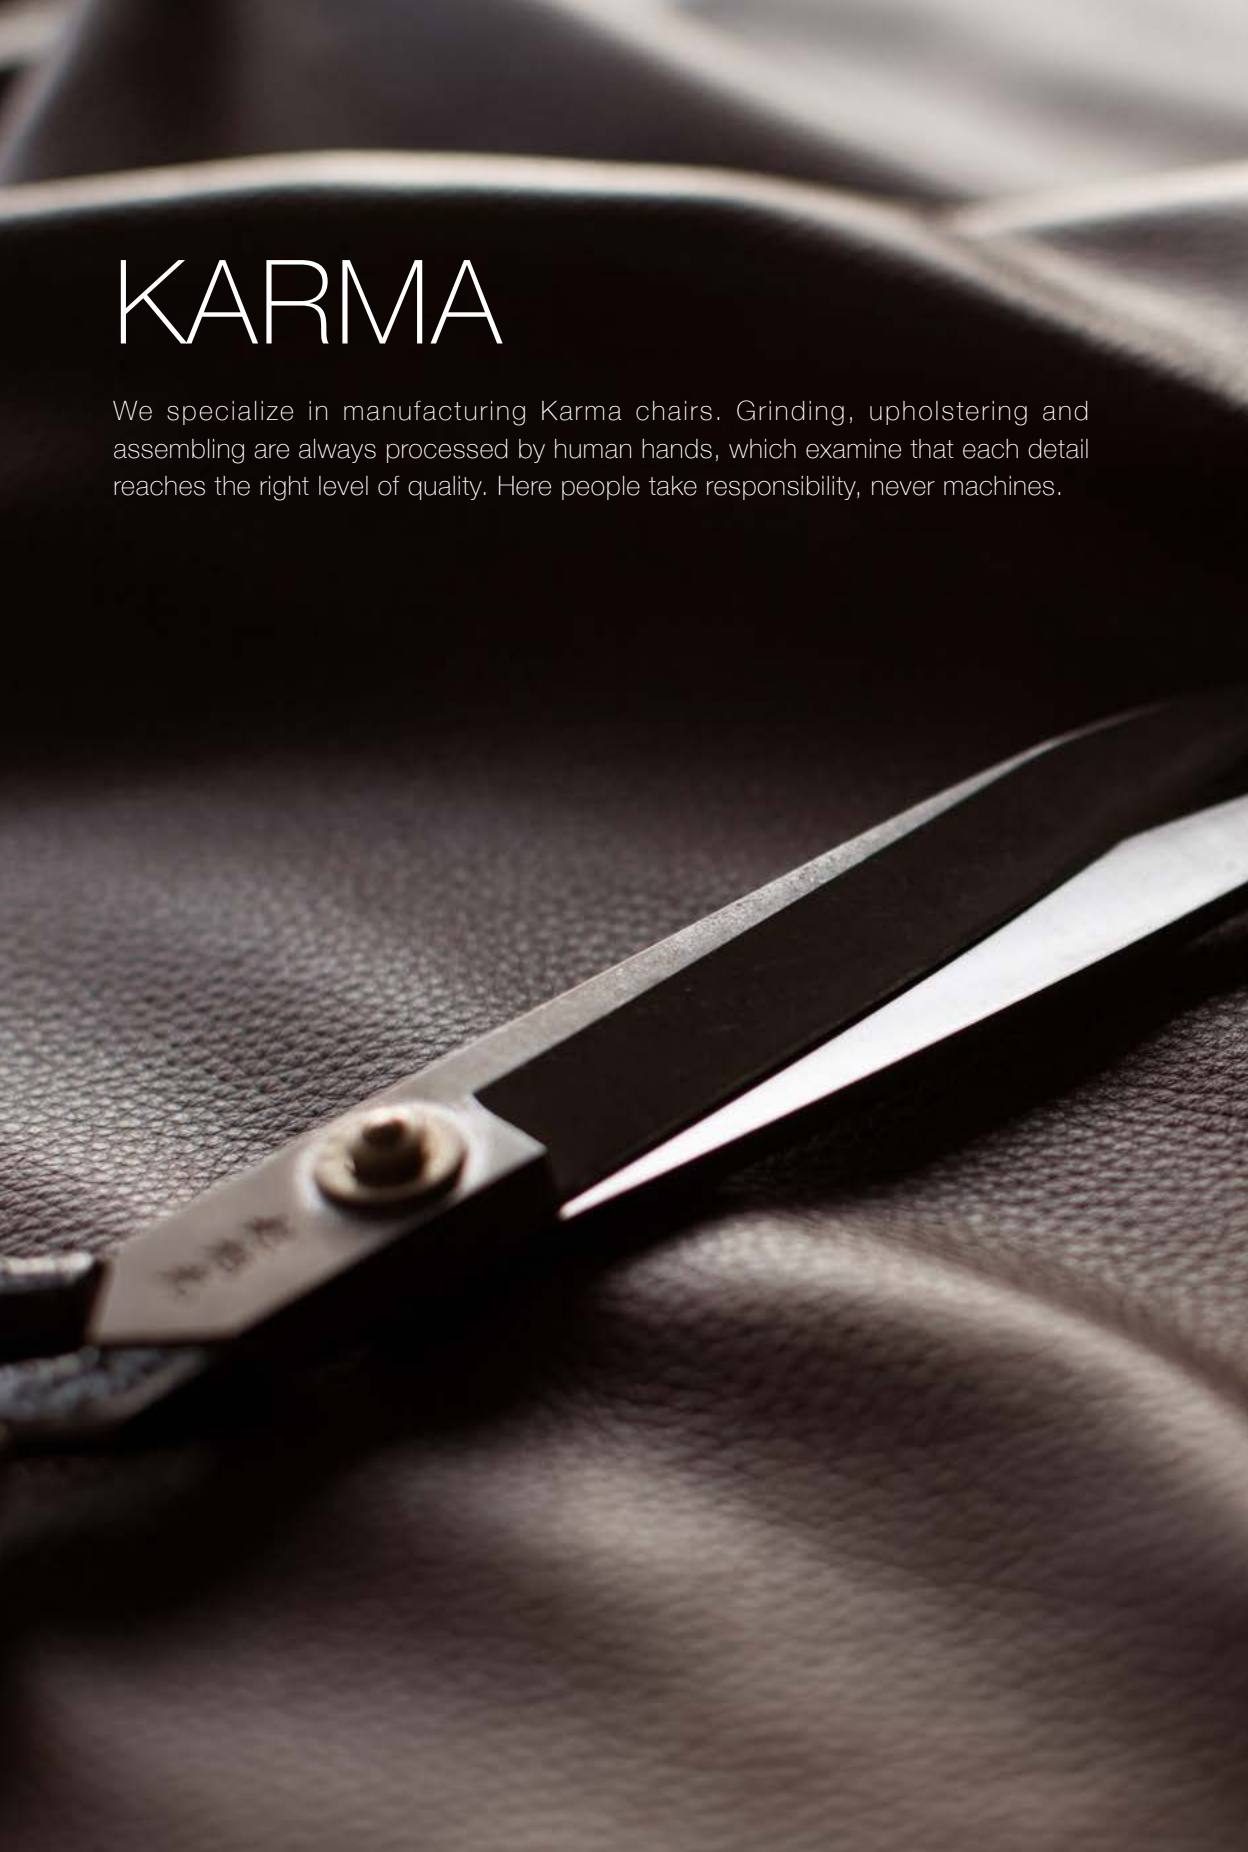

Karma chair is much more than nice shapes and lines. Function and movement as well as new materials always happen together in Karma. Although every model is unique they have one thing in common. Comfort and shape are equally important.

KARMA

We specialize in manufacturing Karma chairs. Grinding, upholstering and assembling are always processed by human hands, which examine that each detail reaches the right level of quality. Here people take responsibility, never machines.

KARI

DETAIL

Nickeling gun colored metal base, brushed stainless manual switch, injected foam. All are the basis of quality guarantee, on which we add more sense of design and value.

MA I

DISCOVER THE SECRETS OF PERSONAL COMFORT

1. The shaped foam, moulded directly over the frame,offers you better seating comfort as it let you sink deeper into the seat and back of the recliner.

2. The pad of soft foam is covered by a layer of super-soft polyester fibre, for a real touch of luxury.

3. springs on a steel frame ensure durable construction and strength.

4. The mechanism automatically provides correct support for your head and lower back. The function is double-sided for maximum stability, functionality and lifetime use

5. Only genuine top-grain leather and high quality fabrics covers the front and back of Karma.

6. The manual control system has passed 50.000+ Recliner Testing Achieved and can be fixed at any angle safely.

7. 360 Degree Swivel on Karma Chair and Ottoman, recovered with a sliding bearing system which offers flexibility, stability and safety.
